I once saw two chipmunks fighting a very large diamondback rattlesnake.
I was fascinated.
The male kept charging the snake and leaping over it as it struck, while the female kicked sand in the snakes eyes.
Unfortunately the father was hit by a gang just before the snake gave up, but the mother went to tend to her little ones hiding under a prickly pear while I chopped the head off the snake with a shovel.
I comforted the father while he died, and gave Him a Soldiers Burial.
The Monument I erected for his Bravery will be there many a decade.

Ok.
Let's have this Discussion.
We live in a REPUBLIC
NOT a SOCIETY.
When one side LOSES AN ELECTION, they SIT DOWN and SHUT UP.
Just like /we/ did under Obama, even though he was an ILLEGAL PRESIDENT, and there was MASSIVE ELECTION FRAUD.
/we/ thought "enough of the people are fooled, let's let this Happen. Let then see first hand.
Did we have /our/ little T.E.A. Parties? Sure.
Bu all according to RULE of LAW.
So, the People Saw, and Voted for RESTORATION of THE REPUBLIC,for which you should have SAT DOWN and SHUT UP.
But [you] didn't.
Now.
SUFFER the CONSEQUENCES.
